

From: [info@brooktechmaintenance.com](mailto:info@brooktechmaintenance.com) *You're invited! Concerned about carbon? Come to our event and reduce your footprint today.*

Brooktech Maintenance invites you to a seat at the table. Join us on 5<sup>th</sup> August to discover the most effective ways to reduce your carbon footprint in the workplace.

Led by industry professionals our *Brooktech Maintains* one day event will inspire, educate and inform.

Expert talks, round-table discussions and Q&As. Our impressive line-up includes:

- John Timpson, Director of Climate Change for Good
- Sarah Standish - Biodiversity and Climate Director at DEFRA
- Jo Hawkins, entrepreneur and founder of Together We Stand.

For full line-up and itinerary click here: [\*\*Brooktech Maintains\*\*](#)

- ❖ Don't know what your carbon footprint is?
- ❖ Unsure how to reduce it?
- ❖ Feeling lost in a cloud of information?

With 45 years in the commercial maintenance sector, we are perfectly placed to help you navigate through the smog.

*Did you know that 1 in 5 businesses don't know what Net Zero means? Only 1 in 10 currently measure their carbon footprint. Don't be bottom of the class – let our industry experts teach you the way.*

Help maintain our world with *Brooktech Maintains* – sign up **today** to reduce your impact on the world tomorrow. Limited places available – click here to guarantee your seat at the table: [\*\*Brooktech Maintains Registration\*\*](#)

**Closing date for applications Monday 31<sup>st</sup> July.**

*They say in this world we should leave only footprints. Let's make those footprints smaller.*
