## DIMPSEY DESTINATIONS

### Secret Somerset Escapes

Isn't planning a holiday *exhausting*?

Finding the best accommodation. Planning the perfect route. Booking the 'in' restaurants.

Research, research, research.

Then, when you finally arrive, nothing ever goes to plan. Flat tire? Guaranteed. Accommodation double-booked? Probably. Restaurant closed for refurb? Yup.

Why not leave the hard work to someone who already knows all the best places to see, stay and stop-off?

We will organise your entire trip from start to finish, leaving you free to sit back, buckle in, and enjoy the ride.

*'We booked on the Culinary tour and my goodness, it exceeded all our expectations! John was warm, entertaining and knew almost everything about Somerset. The food was incredible and the secret cider tastings helped too! We're already booked on the City tour and are counting the days.'*

#### Who We Are:

Born and bred in Somerset, John Farmer and Michael Jones have created small, personalised, niche tours that take in the very best this beautiful county has to offer.

#### Why Choose Us:

Each tour includes accommodation, transport, ticket entries and either John or Michael as your personal guide. You really don't need to do anything except turn up at the departure point on the day. Or we can pick you up. Yup, we can do that too.

#### The Tours:

**Culture Tour 5 Days** – If it's culture that you're after, then we have you covered. Somerset has been home to poets, painters and photographers. Architecture & design, art galleries, gardens and museums all feature heavily.

**Culinary Tour 3 Days** – Somerset is full of foody fabulousness. From top notch restaurants to farm shops and award-winning cafes, there's plenty of farm to fork action to be found. We champion all of the best butchers, bakers and local producers from around the county.

**City Tour 4 Days** – Wonderful Wells, beautiful Bath, fabulous Frome. Ok, so Frome isn't technically a city, but it's well worth a visit alongside colourful Castle Cary. We take in all of the best spots in each.

But really, **WHY** should I book with John and Michael?

Because they truly do know all the secret spaces and hidden places you won't find on your average tour. To experience Somerset from the inside, book with *Dimpsey Destinations* today.
